

# **PUBLIC NOTICE**

**Per order of the Town of Canton  
Board of Selectmen**

**Effective September 1, 2024  
Building Department Permit  
Application Fees are adjusting**

**The new fee(s) are as follows:  
\$15 per \$1000 valuation**

**This means if a project, which includes the combined cost of labor and materials is less than \$1000, the permit fee is \$15. The cost of the permit application fee increases by \$15 for every \$1000 of cost after that.**

**If a project is \$10,000, the permit application fee would be \$150 and so forth.**

**For applications received on or after September 1, 2024, a cost estimator will be available on our webpage, and the cost calculator of the online permitting program will be updated.**

**Pursuant to C.G.S. 29-252(a) & 29-253  
2021 International Building Code portion of the  
2022 Connecticut State Building Code, section 109.2**
