Town of Canton, Connecticut
Attn: Tom Richardson – Town Tree Warden
Market Street
Collinsville, CT 06090

Via email: trichardson@townofcantonct.org

Dear Mr. Richardson:

I was asked by the Town to conduct a visual inspection of the Sycamore tree that is located at the intersection of Cherry Brook Road and West Mountain Road, here in Canton Center, and to advise on the tree's current health and offer recommendations for continued tree health. My suggestions are as follows:

- Minor pruning to remove dead limbs
- Cut back the encroaching pavement from the trunk flare at the base of the tree to allow for growth
- Remove any dirt and debris that is piled up against the trunk of the tree

Please let me know if you have any questions or concerns.

Thank you for this opportunity.

Best Regards,

Steven Bristol
